

MAP OF CANADA

1. Label all provinces, territories, and capital cities. Be sure to put a dot on the location of the city. Use **BLOCK CAPITALS** for provinces and territories.
2. Label Kelowna. Label the capital of Canada and use a star instead of a dot.
3. Label 3 oceans and Hudson Bay. ** Give your map a title*
4. Label the United States (2 locations!)
5. Colour all water blue and all land that is not Canada green.
6. Colour each province and territory a different colour. You may not use green or blue. You may repeat colours but not side by side.

Evaluation
