

September 4, 2013

Dear Parents:

As you are aware, for many years, due to a water advisory, we have had bottled water stations here at Watson Road. That advisory continues to be in effect. I am asking that every student bring a full water bottle to school every day as going back and forth to the water stations can be quite disruptive. Students may, of course, fill up their water bottles if they drink all their water. In addition, I will no longer be providing paper cups.

Thank-you for your support in this matter.

Sincerely,

Mrs. L. McGlinchey

\*\* reminder to students: be careful to put your water bottle in an outside pocket of your backpack!!  
(we have had many textbooks, etc.  
ruined due to leaking water bottles)
